## **CALL FOR VOLUNTEER BACKSTAGE/DRESSING ROOM MOMS FOR FUNDAMENTAL, BEGINNING AND ADVANCED BEGINNING CLASSES**

Thank you to any who are willing to volunteer to assist in the 2018 Dance Concert. Volunteer help is greatly appreciated and in order to assist in our planning process, anyone interested in volunteering is asked to please sign up at the Studio Reception desk by March 31, 2018.

It is a huge undertaking to present a performance of this type and help is always needed to make the performance run smoothly, not only for your children but for those in the audience as well. We are very concerned about the safety and well being of each and every student, so constant supervision is very important.

The duties are simple, but very important and include:

- Supervising the classes to be sure they are dressed and ready to go on time
- Assisting with make-up and hair
- Keeping general watch on the class and moving them from the dressing area and back after their on stage time

Just a reminder...

Mom's of Pre-Ballet & Primary students (Kindergarten) will stay backstage with their own child. Therefore, there is not a need for Backstage Volunteers for the Pre-School or Primary age students.

We also recognize it is very important for any Backstage mom to have the opportunity to see their own children perform, so they will be allowed to view their child's performance from the unique perspective of the side stages of back stage area without the need for a ticket.

Thank you for your participation in this very important part of the program
